Travel Vaccinations – Non-NHS Services

Hepatitis A: Adult and Paediatric	1 st vaccine & booster dose = no charge (funded by NHS)
Hepatitis B: Adult and Paediatric	Holiday/travel = £40 per vaccine Clinical requirement = no charge
Hepatitis A&B combined Adult and Paediatric	No charge (funded by NHS)
Typhoid	No charge (funded by NHS)
Hepatitis A/Typhoid	No charge (funded by NHS)
Diphtheria/Tetanus/Polio	No charge (funded by NHS)
Cholera	No charge (funded by NHS)
Meningitis ACWY	Holiday/travel = £45 per vaccine

All patients please note: All vaccinations that are chargeable are those not required routinely in the UK. Those which are not covered within the NHS are listed above. There may be occasions when several vaccines can be administered in a single clinic appointment, however each vaccination and/or prescription is still individually chargeable due to the administrative requirements for each. There are no exemptions regarding charges.
